Open Streets on 50th Activities Guide 2017

Pet Zone - South France Ave.

The Pet Zone MN is designed for our 4-legged furry friends and the people who love them, care for them, and spoil them rotten. Once inside The Pet Zone MN area, you can meet dogs available for adoption from local rescues, talk with groomers, doggie daycares and dog walkers in the area. And that's just the beginning! Pet supply store representatives will be on site with special offers on their best-selling products as well as a local company offering their amazing treats and a fresh food distributor with free delivery. Plus more vendors are being added every day!
